

ART & DT

- Design and make your own spacecraft/space rocket using materials at home
- Create a 3D model of the solar system

Remember to be as creative as you possibly can!

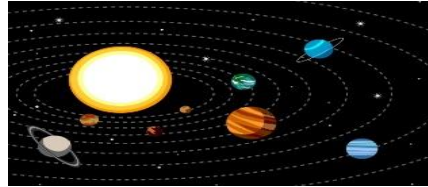

SOME OF THE ACTIVITIES WE HAVE ALREADY COMPLETED AS PART OF OUR SPACE TOPIC IN AUTUMN TERM, SO I HAVE REMOVED THEM.

SCIENCE:

Did you know that The Pinwheel Galaxy is a spiral-shaped galaxy about 21 million light years away from Earth?

Make a Pinwheel Galaxy windmill-a galaxy in your hand!

KS2: SPACE

ENGLISH

- Letter-Apply to be an astronaut
- Instructions- How to spacecraft/how to survive in space
- Alien guide to life on earth

P.E

In the mood for some fun, energetic exercise?

Enjoy taking part in an a fun 'aerobics in space' session as well as a 'space journey' workout
