

Hello to all parents and carers of pupils at St Anne's school,

On behalf of the Governors, I just wanted to take this opportunity to wish you all a very happy and holy Christmas season.

I also wanted to thank you for your support for every member of staff during this very difficult year for everyone. We have such an excellent team in St Anne's school, all deserve our praise and thanks: teachers, teaching assistants, the office staff ,Anne Marie and her catering assistants and Bill and the wonderful cleaning staff, all have had their work increased so much due to the Covid regulations.

And the staff have been enthusiastically supported by Mrs Prescott and Mrs Cookson who have led the school, I think, very successfully, with your help too, to ensure the safety of all staff and children during this difficult time.

Thank you for all your efforts, which I fear will still be needed for much of 2021. If we all continue to work together, I am sure we will keep children and adults safe.

Thank you for all you do and will do to support the teaching staff to ensure your children enjoy their school experience.

May you and your families enjoy a wonderful and safe Christmas holiday and I look forward to meeting you at a school event during 2021.

With my very best wishes.

Mary Tyrrell

(Chair of Governors)
